

## EASTER FAMILY READING CHALLENGE

**Discover Jesus together  
this Easter.**

During the next few weeks leading up to Easter Weekend, we're challenging PARENTS and KIDS to read through the Easter story from John's Gospel TOGETHER! Just 10-15 minutes a day is plenty of time to read and discuss each short passage, helping you to see more of who Jesus is and why His resurrection is so important.

Use this bookmark to track your progress, and once you've completed all 20 days, have your child (Grades 1-5) bring it to church on Easter Weekend for a special prize!

**"Disciples making Disciples"**  
starts at home.

**Dive into God's Word as a  
family this Easter season!**
